

# Join our Space[AR]T station at The PASEO Festival

Become an  
XR Guide at  
The PASEO!

Design  
Augmented  
Reality Art

**LAST BOOTCAMP FOR 2024!**

## Create SPACE[AR]T In The Sky

September 7th, 2024 | 9-5pm

**UNM Taos HIVE**

For this bootcamp we are designing and rehearsing for the STEMarts installation that will be part of The PASEO Festival happening October 3-6, 2024.

- Learn about Augmented Reality with **Alessandro Straccia**, Creative Technologist/AR developer.
- Meet guest speaker **Shane Wood** (QuarkNet) demonstrating a “cloud chamber” to inspire your art
- Create 3D models in Blender with artist **Ian Harisson** .

**AGES 14-20  
REGISTER**

Our full day workshops and include lunch and snacks.  
**UNM Taos HIVE, 1126 Gusdorf Rd, Taos, NM 87571.**
